

DWELLING Spaces + Places Awarded Highest Distinction in Senior Move Management

FOR IMMEDIATE RELEASE: Skokie, IL — November 10, 2023 — The National Association of Senior & Specialty Move Managers (NASMM) announced DWELLING Spaces + Places has been awarded the NASMM A+ Accreditation for a period of three years for its excellence in Senior Move Management operations and client services. This is the first accreditation NASMM has awarded to DWELLING Spaces + Places.

“This accreditation decision represents the highest level of professional achievement that can be awarded to a Senior Move Management company, and demonstrates the organization’s substantial conformance to NASMM standards,” said Jennifer Pickett, NASMM’s Co-Executive Director. “An organization receiving a three-year NASMM A+ Accreditation has put itself through a rigorous peer review process. A NASMM A+ Accredited Senior Move Management company has demonstrated to a team of reviewers its commitment to offering programs and services that are measurable, accountable, and of the highest quality.”

For DWELLING Spaces + Places founder Drina Nikola, earning the NASMM A+ Accreditation means fulfilling a goal she’s had since she launched the business in 2015. “Our team has always been committed to the highest standards, which is what anyone would want for themselves or a loved one making a major life transition,” she said. “Now we’re officially A+. Fewer than 100 businesses have accomplished it, which shows how rigorous the process is.”

The NASMM A+ Accreditation Commission is the independent, nonprofit accrediting body of the National Association of Senior & Specialty Move Managers. Its mission is to promote the quality, value, and optimal outcomes of Senior Move Management services through a consultative accreditation process focusing on enhancing the lives of the persons served. Founded in 2002, NASMM is the leading membership organization for Senior & Specialty Move Managers in the United States, Canada and abroad. NASMM is internationally-recognized for its innovative programs and expertise related to Senior & Specialty Move Management, transition and relocation issues affecting older adults.
